NAZARETH BOYS BASKETBALL

VARSITY HEAD COACH

JOE ARNDT

I would like to welcome all the new and returning members of the Blue Eagle Basketball Family. My staff and I are excited about the chemistry, work ethic and attitude that the 2024-2025 team has shown throughout the summer and fall. I expect success at all levels of our basketball program.

I look for our 3 seniors (Alex, Logan & Mitch) to help lead our program back to the playoffs and keep building our program into one that is successful every year. I challenge them to believe in themselves, play with confidence and to make this a season filled with success and lasting memories. Their leadership on and off the court is the building block of the Nazareth Basketball Program. Through their example, we will see the results that breed success not only on the court, but also in life.

My staff and I hope that all players (past & present), alumni, students, family and friends watch and support our program in this unprecedented year. Your enthusiasm and support help make Nazareth Basketball successful on the court, in the community and in the classroom.
